ORDER.

Mis

No. 1121, dated 9.6.30 19

The budget estimate for 1930-31 of the E.E. Fund under the control of the Taluk Board, Bellary, is approved subject to the following remarks

(i). The amounts for which credit has been taken in the revised estimate for 1929-30 and in the budget estimate for 1930-31 as Govt. grants under the provis to Section 37 of the E.E. Act 1920, should be altered as shown below, the amount in the latter case being liable

6

to revision with reference to the subsidy payable in 1930-31 for the girls' school sanctioned in 1929-30.

" 1613 " dt 1.8.29	303	348
" 296 " dt 20.2.30	348	348
Total	29067	29212

(ii). In the actuals of 1928-29 the taluk board's contribution from its general revenues is shown as Rs. 7300/-, against the normal contribution of Rs. 12000/- ~~The Board is requested to report the reasons for the decrease of contribution for 1928-29 and has been paid to the Fund in 1929-30. Also to report the amount of contribution actually contributed to the Provident Fund~~

The board has carried out these instructions and the reduced contribution of Rs. 7300/- for 1928-29 will be accepted, if the contributions provided in the revised estimate for 1929-30 - Rs. 4320/- and in the budget estimate for 1930-31 - Rs. 4720/- are actually paid to the Fund. The President is requested to report whether a sum of Rs. 4320/- was actually credited in 1929-30.

The board's contribution towards the Rs. 4/- allowance should be shown as Rs. 3720/- for each year.

(iii). It is observed that there are four untrained teachers employed under the

the board. If any of these teachers are permanent employees, steps should be taken to have them trained, suitable provision being made for stipends. ~~If the teachers are temporary ones, steps should be taken to replace them by trained ones.~~

(iv). In the annexure submitted with the budget estimate for 1929-30 the total number of teachers employed under the board was shown as 162. The number of teachers shown in the annexure to the present budget is 158. The President is requested to report whether any posts of teachers were abolished and, if so, why. With reference to the details given in the annexure, the total provision required for "salaries of teachers" is about Rs. 37,200/-, but a sum of Rs. 38,760/- has been provided under this item in the budget estimate for 1930-31. The President is requested to explain the need for the increase
